MEMORANDUM FOR: Deputy Director for Support

SUBJECT : Inspector General's Survey of the Office
of Computer Services

REFERENCE : Your memorandum, dated 18 June 1970,
subject as above

X1 1. As requested, this memorandum concerns the handling
of SD:SM personnel assigned to the SIPS Task Force. We have
one employee, [] GS-07, so assigned
(Another SD:SM employee originally assigned has been transferred
to the S Career Service.).

X1 2. Mr. [] is in frequent -- at least weekly --
direct personal contact with the OMS. He has also had
personal discussions with our Personnel Officer, Chief of
Support Division, and on more than one occasion with the
Director of Medical Services, concerning his assignment and
career. He is, of course, competitively evaluated each year
with other SD:SM personnel of his grade.

3. As a result of these discussions with him and a review
of his entire Agency service as a Medical Technician and service
while assigned to SIPS, we have advised Mr. [] that it
is our judgment that he should consider subsequent Agency
service outside of medical work. This counseling is also based
on professional aptitude testing by our Psychological Services
Staff which was arranged for him.
